## July 2020 Financial Summary

## Cash Analysis Report

General Fund Reserve balance ended the month with 179 operating days, which is $196 \%$.

| Budgeted Operating Expenses FY 19/20 | $\$$ | $3,137,175$ |
| ---: | ---: | ---: |
| Operating Budget Expenditures cost per day (365 days) | $\$$ | 8,595 |
| Fund Balance at 7/31/20 | $\$$ | $1,539,640$ |
| \# of operating days in Fund Balance | $\mathbf{1 7 9}$ |  |

As noted previously, the primary reason for the large balance is the seasonal timing of Property Tax $\mathrm{M} \& \mathrm{O}$ collections which will be used to pay operating expenses during the remainder of the year. Last month's \# of days reported was 194.

Enterprise Fund Reserve balance should be 90 days to comply with the Financial Policy.

|  | Budgeted Operating Expenses FY 19/20 | $\$$ | $1,808,366$ |
| ---: | ---: | ---: | ---: |
| Operating Budget Expenditures cost per day (365 days) | $\$$ | 4,954 |  |
| Working Capital Balance at 7/31/20 | $\$$ | $(47,102)$ |  |
|  | \# of operating days in Working Capital | $\mathbf{( 1 0 )}$ |  |
|  |  |  |  |

## General Fund

- YTD revenues are exceeding expenses by $\$ 600,133$. As stated above, this is primarily due to seasonal timing of Property Tax M\&O collections and expenses trending below the 83.3\% budget threshold for the 10 months ended $7 / 31 / 20$.
- YTD Sales Tax revenue is trended higher than budget by $14.2 \%$. Aug Sales Tax has been received and is above the monthly budgeted amount by $\$ 8.6 \mathrm{~K}$. The Aug sales tax receipts are for Jun sales.
- Fines and Fees are definitely impacted by the COVID pandemic. Revenue is currently trending $16.3 \%$ below the $83.3 \%$ budget threshold for the 10 months ended $7 / 31 / 20$.

month. May activity increased over Apr by 1,672.80/cf and a price increase of $\$ .10 / \mathrm{cf}$. May- $\$ 1.695 / \mathrm{cf}$. Gas royalties for the month were $\$ 6,597.59$, of which $\$ 8,522.78$ represents May activity and

## Enterprise Fund

- YTD revenues are exceeding expenses by $\$ 90,784$. Expenses have remained significantly below the $83.3 \%$ budget threshold for the 10 months ended $7 / 31 / 20$.
- Maintenance:Water Distribution reflects the $\$ 10,000$ reimbursement for April FH repair expense.
- Capital Outlay reflects the purchase of the new truck for PW/Water Superintendent in July.

## PRFDC Fund

- YTD revenues are exceeding expenses by $\$ 21,751$. Expenses have remained significantly below the $83.3 \%$ budget threshold for the 10 months ended $7 / 31 / 20$. The majority decrease relates to budgeted grant related park improvements that have not been awarded.
- Sales tax revenues are trending above the $83.3 \%$ budget thresholds by $14.2 \%$ for the 10 months ended $7 / 31 / 20$. Aug Sales Tax has been received and is above the monthly budgeted amount by $\$ 1.6 \mathrm{~K}$. The Aug sales tax receipts are for Jun sales.
- Personnel Expenses are trending higher that budget due to the change in personnel and headcount at the beginning of the year. Budget adjustments will be as yearend adjustments before audit is final.
- Consultants-Legal is above budget relating to the TCEQ Enforcement Water Rights situation.

## CCPD Fund

- YTD revenues are exceeding expenses by $\$ 41,693$. Expenses are significantly below budget for the year due to the pending capital purchase of the $2^{\text {nd }}$ budgeted Tahoe.
- Sales tax revenues are trending above the $83.3 \%$ budget thresholds by $13.7 \%$ for the 10 months ended $7 / 31 / 20$. Aug Sales Tax has been received and is above the monthly budgeted amount by $\$ 3 K$. The Aug sales tax receipts are for Jun sales.

## A/P HISTORY CHECK REPORT

## $\qquad$

OR SET. 01 City of Dalworthington

[^1]City Administrator Report

1. Remote Meter Project Update: We now have approximately 250 meters left to install. This amount will be even less by the time of the council meeting.

## 2. Twin Lakes/Twin Springs Update:

The city engineer is working through the last remaining items for the Twin Springs/Twin Lakes project. The plans for the erosion control and obstacle removal are complete. They are working on submitting the Notice of Intent to TCEQ as well as getting quotes for erosion control installation and obstacle relocation. Those quotes should be on the September agenda for consideration.

## 3. Other Items

If necessary, other items that arise before the meeting.

## 8. REGULAR AGENDA

a. Discussion and possible action regarding reimbursement for expenses from CARES Act funding received from Tarrant County.

Background information on this item: Council approved an agreement on May 21 which resulted in the receipt of CARES Act funds from Tarrant County in the amount of $\$ 128,150$. The funds were received in mid-June, and in accordance with Section 4 on page 2 of the agreement, staff sent a proposed budget to Tarrant County on July 3, 2020. Prior to sending the budget, the city administrator and DPS director met with the city's
attorney to confirm expenditure eligibility (Section 5 of the agreement). The budget is now being presented to Council for consideration. We have removed two items that were on the list that was presented to Tarrant County since the budget exceeded the award amount. We have removed the jail arraignment items as there is other additional funding we can use. We have also removed a vehicle that was to be used to operate the emergency response trailer.

The total presented at the time of this report is slightly less than the total award amount of $\$ 128,150$. However, staff will continue to need basic supplies for cleaning and safety for response to COVID-19.

Staff is requesting the following for this item:
Allow staff to work with the Mayor on expenditures based on Tarrant County's response to the budget. Allow staff to purchase three (3) tough books for public works in the amount of $\$ 13,726.50$

The tough books are needed for public works staff to remain mobile and maintain distancing requirements. Tough books are requested because public works is primarily a field position and they need a device that can withstand that environment.

A motion was made by Mayor Pro Tem Ed Motley and seconded by Council Member Joe Kohn to direct staff to work with the mayor on the presented CARES Act budget; and motion to approve the purchase of three (3) tough books in the amount of $\$ 13,726.50$ and allow the purchase of paperless devices for the front desk staff from the CARES Act funds received from Tarrant County, with the stipulation that the trailer and associated items are removed from the list of requests.

Motion carried by the following Vote:
Ayes: Members King, Lafferty, Stein, Motley, and Kohn
Nays: None

## b. Discussion and possible action regarding purchasing a new vehicle for public works.

Background information on this item: The city installed an Orifice Valve last year at the Fort Worth water meter that would restrict flow to a constant maximum of 250,000 gallons per day (gpd) and a max gallons per minute of 173.6 (gpm). The Demand Charge that we are billed by Ft Worth has two components, Max Day and Max Hour.

Before the Orifice Valve was installed, the city was bound by Fort Worth's gpm that they were releasing, which was approximately 1,000 gallons per minute. What would happen is if there was a large use of water in an hour of $1,000 \mathrm{gpm}$ and nothing the rest of the day, the city was measured by our avg. gpm against this huge gpm. Another thing would be if we had huge usage one day (and nothing from Arlington), the city would be measured by our avg gpd and the max gpd. These big gaps between avg and max is what they call peak demands and we pay for that.

Now with the orifice in place, it maintains consistency not only on the daily flow but also the hourly flow. If you see below, Annual and Monthly Rate of Use Charge is decreasing substantially since we closed the gap on Peak Demand. We show an $\$ 82,177.95$ projected decrease in next year's budget. We gained a $\$ 52,390.23$ in this year's budget from last year.

FT WORTH BILL CALCULATIONS NOT ACCOUNTING FOR TRUE-UP
This is the calculation to yield the monthly rate of use charge being billed through out the year based on current rates and prior year usage info

| The assumption is that the Actual Usage from the current FY that just ended is applied against the new budgeted rates and a true-up happens at the end of the year. |

With this savings, staff is asking to purchase a vehicle for the water department. Historically, vehicles were purchased out of the public works department, but the water funds can be used for this purpose as well.

We now have three employees who perform water, street, and public works duties. We are working towards a more remote system because of COVID-19, but more importantly to streamline work flow for these employees to allow for more work out in the field. Having three vehicles will accommodate the tough books we asked to purchase under the CARES Act funding. If council agrees, we intend to keep the animal control vehicle since it is not likely we would receive any trade in value, and also because the vehicle is already outfitted with animal control tools.

We do not have an official quote sheet, but the below is what we received for this purchase. We are looking to buy a similar truck to the fire inspector vehicle council approved last year. We are asking for a little more than the below in the event something is slightly more than anticipated.

c. Discussion and possible action on the Appendix A fee schedule to remove contractor registration fees, set a fixed fee for shut off valve installation, and to have the city attorney make changes to allow adoption of the fee schedule by resolution instead of ordinance.

Background information on this item: This item has three parts all related to the city's fee schedule. The purpose of this item is to reduce fees in certain areas, and to make revisions to the fee schedule easier and cheaper. If the fee schedule is approved by resolution, the city would not be paying a cost to revise ordinances with each revision.

The first piece pertains to shut off valves. Shut off valves are required by the 2015 International Residential Code to be installed by customers for new construction. Staff is looking for ways to incentivize this installation because it puts the customer in control of turning water on and off for construction purposes. According to the fee schedule, the fee for plumbing alterations/additions is $\$ 120$. Staff would like to set a flat fee of $\$ 25$ for basic shut off valve installations to make the cost of installation less burdensome. If more plumbing work will be done than just a shut off valve, wording can be added to ensure customers are only charged one or the other, never both.

The second piece pertains to contractor registration fees found in Article A3.000 of the city's ordinances. Each year, it seems more contractors are protected by legislation from being charged a contractor fee. Plumbers and electricians were removed in the last few years. Staff would like to remove all contractor registration fees from Section A3.001 of the ordinances.

The third and last piece pertains to changing fee schedule adoption from an ordinance to a resolution. The city attorney has the ability to remove the fee schedule from ordinances and replace it with wording stating our fee schedule is adopted by resolution. Then, each year, the fee schedule could be brought to council for consideration and approval by resolution.

A motion was made by Mayor Pro Tem Ed Motley and seconded by Council Member Joe Kohn to approve making changes to the Appendix A fee schedule to remove contractor registration fees, set a fixed fee for shut off valve installation, and to have the city attorney make changes to allow adoption of the fee schedule by resolution instead of ordinance.

## d. Discussion and possible action regarding purchase of SCBAs (self-contained breathing apparatus) for DPS.

Background information on this item: DPS is requesting discussion and guidance on purchasing new SCBA's. Our current SCBA's are past their life expectancy and parts are no longer available. We have located a vendor that will allow us to make three annual payments with zero interest to assist in replacing our outdated equipment.

The new SCBA's are from a different manufacturer and will not work with what we have now. Therefore, if we do change, they would have to be purchased all together. DPS possibly has money in this year's budget to make the first payment. DPS is currently working with the vendor to get the absolute best price and will provide the information when available.

A motion was made by Council Member Cathy Stein and seconded by Mayor Pro Tem Ed Motley to put an item on the August agenda to discuss the purchase of 20 SCBAs, 25 bottles, a battery, and a charging station.

Motion carried by the following Vote:
Ayes: Members King, Lafferty, Stein, Motley, and Kohn

e. Discussion and possible action to direct staff regarding an ordinance to ban smoking in businesses.

Background information on this item: This item was requested to be placed on the agenda by Mayor Bianco. The Mayor would like to discuss the creation of an ordinance banning smoking in businesses. Arlington passed such an ordinance in 2017. Ordinances directly correlate to what businesses a city attracts. DWG has been working on updating ordinances to better control what businesses the city attracts and this is part of that discussion.

## From Arlington's Website:

Where is smoking prohibited indoors?

- bars
- nightclubs
- restaurants
- hotels and motels
- workplaces
- schools (preschool to post-secondary)
- billiard halls
- sexually oriented businesses
- bowling centers
- common areas of multi-family housing, including apartment complexes and condos
- municipal buildings
- most other enclosed public places, including hospitals, nursing homes, museums, galleries, retail stores and theaters

Where is smoking prohibited outdoors?

- Within 15 feet of the primary entrance to a bar, nightclub, billiard hall, bowling center or sexually oriented business
- Within 50 feet of the exterior entrances or operable windows or ventilation systems of other smokefree establishments
- Within 50 feet of public park amenities, including public restrooms, playgrounds, fenced areas around public swimming pools, dugouts, and bleachers provided for spectators at outdoor athletics events

## f. Project \#2020-03: Indian Trail Project: Provide update on the status of the project and consider approval for the following:

i. Revised Interlocal Agreement with Tarrant County for reconstruction of Indian Trail.
ii. A quote for a traffic control plan.
iii. Funds for erosion control in an amount not to exceed \$2,000

Background information on this item: These are the last remaining items for the Indian Trail project. Staff is asking for approval of the following:

1. Updated interlocal agreement which now includes the striping. The striping is $\$ 277.20$ for a double yellow centerline stripe, which is what is already on Indian Trail.
2. Quote for traffic plan and equipment rental which totals $\$ 1,110.50$. Staff requested a second quote to purchase equipment just for comparison. Staff recommends approval the rental quote now since the project is far out on the schedule. If purchasing equipment is achieved prior to the start of the project, staff will only purchase what equipment is needed beyond the purchased barricades.
3. Staff is asking for $\$ 2,000$ to cover any necessary erosion control. It is likely erosion control will not be needed as Tarrant County brings road materials with them each day, but we want to prepare in the event storing materials on site is needed. In consulting with Tarrant County, it was determined $\$ 2,000$ should cover whatever might be needed.

A motion was made by Mayor Pro Tem Ed Motley and seconded by Council Member Joe Kohn to approve the following for Project \#2020-03, Indian Trail: Interlocal Agreement with Tarrant County, striping quote for $\$ 277.20$, traffic control plan and equipment rental for $\$ 1,110.50$, and $\$ 2,000$ for erosion control.

## g. Discuss and possible action regarding amendments to the FY 2020 budget in amounts not to exceed $\$ 10,000.00$.

Background information on this item: This is a standing agenda item that will appear on all future agendas. The idea is provide an item whereby staff can discuss needs that come up after the agenda posting deadline. These would only be items that, without council approval, would otherwise put operations on hold.

This item was not needed.
h. Discussion and possible action regarding Project \#2020-01, the new City Hall building, to include, but not limited to any change order approval; and redesign of the project.

Background information on this item: Staff presented change orders for the new City Hall building at the June 18, 2020 meeting which resulted in conversation about a proposed redesigning of the sally port area. Staff was asked to put this back on the agenda for discussion regarding the replacement of the sally port with a fence and gate design. Staff has included the original site plan showing the sally port, floor plan of the building to show the front entrance area, and the new site plan showing the proposed fence and gate location. There is also a cost sheet so you can see all earmarked expenses and the remaining balance of the fund. There are no change orders requiring approval at this time.

Staff is looking for guidance on any redesign of the building. The architect designed the building to allow for a gate and fence at a later date since we had to go ahead and move forward in one direction or another.

A motion was made by Council Member Cathy Stein and seconded by Mayor Pro Tem Ed Motley to approve the updated pavement plan to remove the sally port, and that no fence or gate be approved at this time.

i. Discussion and possible action to select one or more firms to provide third party inspection and plan review services.

Background information on this item: In April 2020, Council authorized staff to solicit bids for third party inspection and plan review services. Two bids were received from Safebuilt and Bureau Veritas. Staff interviewed Safebuilt and called references. The Safebuilt staff members who were interviewed came from Bureau Veritas and were familiar and favored by staff. They are also cheaper than Bureau Veritas's costs for services.

Bureau Veritas is the city's current third party plan review and inspection contractor in addition to Jack Liford. Mr. Liford is who the city primarily uses for project needs. Staff would like to contract with both Safebuilt and Bureau Veritas, but primarily use Safebuilt for these services. Gary Harsley, the city's building official, is working towards his plumbing certification and would take the place of Jack Liford once he's certified.

Back in April, staff presented the idea to council to have multiple third party companies under contract that could be used for large commercial and residential projects. The idea is to send the developer directly to the third party options and have the developer select one company for their project needs. Larger cities such as Arlington and Fort Worth offer this as well as a way for the developer to control the progress of their project. The third party contractor would communicate directly with the developer and inform the city of progress. This idea was presented to Safebuilt and they were familiar with this process. Thus, staff would like to contract
with both Safebuilt and Bureau Veritas, use Safebuilt primarily for internal needs, and offer both companies as options for large projects.

A motion was made by Mayor Pro Tem Ed Motley and seconded by Council Member Joe Kohn to approve contracting with Safebuilt and Bureau Veritas for plan review and inspection services, and to allow the Mayor to negotiate contract terms, subject to city attorney review.

j. Discussion and possible action to make changes to section 12.B., Holiday Leave, of the City's Personnel Policy regarding days on which the city observes paid holidays.

Background information on this item: The city's Personnel Policy states the following for observation of city holidays.
"When a holiday falls on a Saturday or a Sunday, it is observed on the following Monday (except Christmas Eve, which is observed on the Friday before)."

Staff would like to follow what most other cities do which reads as follows: "When a holiday falls on a Saturday, it is observed on the preceding Friday. When a holiday falls on a Sunday, it is observed the following Monday."

For the July 4 holiday, an issue arose where everyone thought the holiday would be observed the preceding Friday, when, in fact, the policy dictates differently. This is the reason for the requested change. The entire Personnel Policy will be updated soon, but this change will correct an immediate need.

A motion was made by Mayor Pro Tem Ed Motley and seconded by Council Member Joe Kohn to change the language in the Personnel Policy regarding observed holidays to reflect that observed holidays will be reviewed by Council in December of each year to be approved for the following calendar year.

Motion carried by the following Vote:
Ayes: Members King, Lafferty, Stein, Motley, and Kohn

## k. Discussion to reschedule work session date for Comprehensive Plan.

Background information on this item: Council set a work session for the Comprehensive Plan at the June meeting. Both Council Members King and Lafferty cannot make the October 8 work session date. State law required that four members of council, not including the mayor, be present for special meetings. Thus, a new date needs to be set.

No action taken on this item.

## 9. FUTURE AGENDA ITEMS

None.

## 10. EXECUTIVE SESSION

a. Recess into Executive Session in accordance with Government Code, Section 551.071, consultation with attorney, to wit: operational gas well inspection fees.

City Council recessed at 8:40 p.m.
b. Reconvene into Regular Session for discussion/possible action regarding operational gas well inspection fees.

City Council reconvened at 8:48 p.m. for discussion and possible action.
No action taken

## 11. ADJOURN

A motion was made by Council Member Cathy Stein and seconded by Council Member John King to adjourn at 8:48 p.m.

Motion carried by the following Vote:
Ayes: Members King, Lafferty, Stein, Motley
Nays: None
Council Member Joe Kohn, although present for the entirety of the meeting, did not return from the closed session to the regular meeting to vote on adjournment.

## A RESOLUTION OF THE CITY OF DALWORTHINGTON GARDENS, TEXAS AMENDING THE PERSONNEL POLICIES AND PROCEDURES OF THE CITY OF DALWORTHINGTON GARDENS TO AMEND THE HOLIDAY LEAVE POLICY AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Dalworthington Gardens, Texas ("City") is a Type A General Law Municipality located in Tarrant County, created in accordance with the provisions of Chapter 6 of the Local Government Code and operating pursuant to the enabling legislation of the State of Texas; and

WHEREAS, On September 21, 1995 the City Council adopted the Personnel Policies and Procedures of the City of Dalworthington Gardens which provided, in part, for certain holidays to be observed by the City; and

WHEREAS, the City Council desires to amend the Personnel Policies and Procedures of the City of Dalworthington Gardens to amend the Holiday Leave policy.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF DALWORTHINGTON GARDENS, TEXAS, THAT:

## Section 1.

Section V.12. "Holiday Leave" of the Personnel Policies and Procedures of the City of Dalworthington Gardens is amended to read as follows:

## 12. Holiday Leave

A. Each year the City Council will set the holidays to be observed, along with the dates on which those holidays will be observed.
B. In addition, each employee will receive one Floating Holiday per calendar year. The Floating Holiday may be taken at a time of the employee's choosing with approval of the Department Head. A Floating Holiday will not carry over to the following calendar year, and will be forfeited if unused.
C. Uninterrupted continuation of services is required of some city departments. Consequently, the work schedule of employees in such departments may necessitate that they work on authorized holidays. Holiday leave for such employees shall be administered as follows: Employees who work on authorized holidays shall be paid at two (2) times their normal hourly salary, or the equivalent compensatory time for each hour worked, to be determined by the appropriate Department Head.

## Section 2.

This resolution shall be effective upon its adoption.

PASSED AND APPROVED this $20^{\text {th }}$ day of August, 2020.

## SECTION III.

The City Council hereby authorizes the removal of the Fee Schedule from Appendix A in the Code of Ordinances, City of Dalworthington Gardens, Texas, as amended by this Ordinance, said Fee Schedule to be maintained, instead, by the City Secretary. The Fee Schedule shall remain in full force and effect. Appendix A in the Code of Ordinances, City of Dalworthington Gardens, Texas shall be amended in its entirety to read as follows:

## "APPENDIX A FEE SCHEDULE

## Sec. A1.001 Adoption of fee schedule

The City Council shall adopt the official Fee Schedule of the City from time-to-time by resolution and the Fee Schedule shall be maintained in the office of the City Secretary. The City Council may review the Fee Schedule at any time and may, by resolution, increase or decrease said fees within the schedule, or add or eliminate fees within the schedule, upon a determination that said change is warranted. An updated fee schedule shall be publicly available and maintained at all times by the City Secretary.

## Sec. A1.002 Payment Required

All persons, firms or corporations applying for licenses, permits or other city services that by their nature require the applicant to pay a fee incident to such application shall pay the fees as prescribed in the official Fee Schedule of the City.

## Sec. A1.003 Penalty

It shall be unlawful for any person, firm or corporation to conduct any activity or commence any use for which payment of a fee is required until such fee has been paid. A violation of this section shall be punishable by a fine not to exceed five hundred dollars ( $\$ 500$ ) for each offense."

## SECTION IV.

Chapter 3 "Building Regulations" of the Code of Ordinances, Dalworthington Gardens, Texas as amended, is hereby amended to create a new Article 3.10 "Contractor Registration" to read as follows:
"ARTICLE 3.10 CONTRACTOR REGISTRATION

## Sec. 3.10.001 Definitions

For the purpose of this article, the following definitions shall have the meanings respectively ascribed to them in this section:

Board of appeals means a board appointed by the city council vested with the right to hear appeals from any person, firm, or corporation aggrieved by the decision, ruling, interpretation of order of the building official, hereinafter referred to as the board.

Building contractor means any person, firm, or corporation engaged by remuneration in the erection or construction of new buildings or structures, either residential or nonresidential.

Building official means the person duly designated to act in such capacity for the city.
Business means any venture by a person, firm, or corporation for the express purpose of making a profit from the sale or exchange of goods or services.

Codes (the codes) means the codes herein referred to as the following and adopted and approved by the city:
Section 3.02.031-International Building Code, with regional amendments and interpretations recommended by the NCTCOG.

Section 3.02.151-International Residential Code, with regional amendments and interpretations recommended by the NCTCOG.

Section 3.02.201-International Mechanical Code, with regional amendments and interpretations thereto recommended by NCTCOG.

Section 3.02.251-International Plumbing Code, with regional amendments and interpretations thereto recommended by NCTCOG.

Section 3.02.301-International Fuel Gas Code, with regional amendments and interpretations thereto recommended by NCTCOG.

Section 3.02.381-National Electrical Code, with regional amendments and interpretations thereto recommended by NCTCOG and the NCTCOG Regional Codes Coordinating Committee Electrical Advisory Board 2014 National Electrical Code Regional Amendments Position Paper.

Section 3.09.004-International Property Maintenance Code, as amended therein.
Section 5.02.003-International Fire Code, with amendments recommended by the NCTCOG (Option B).

Contractor means any person, firm or corporation who will be responsible to the building official for the prosecution and supervision of work regulated by the codes, including but not limited to building contractors, electrical contractors, fire protection systems contractors, mechanical contractors, paving contractors, plumbing contractors, sign contractors, sprinkler system contractors, swimming pool contractors, and utility contractors.

Electrical contractor means any person, firm, or corporation engaged in the installation or altering, by remuneration, of electrical conductors or equipment, who is duly licensed as a master electrician as accepted by reciprocity by the city, having been tested by an examining agency or board.

Examining agency or board, means, for the purpose of the codes, any division of the state, the county or the city, whose sole function is to test, regulate, or certify the ability of an individual for the performance of work as defined specifically elsewhere in this section.

Fire protection systems contractor means any person, firm, or corporation engaged in the installation or altering, by remuneration, of fire suppression and detection systems, who is duly licensed by the state to perform such work.

Homeowner means any bona fide homeowner, by himself, for himself, on his own homestead premises and without compensation, and no person shall be employed to assist him in any way on such work as may be allowed by the codes. Such person must file in writing a notarized statement of such and be able to file with the building official as to his ability to perform such work, apply for and secure necessary permits, pay required fees, do work in accordance with the codes, apply for all necessary inspections, and receive the necessary approvals in all such work done.

License means the necessary documentation by an examining agency or board to verify, clarify, and attest as to having met the necessary qualifications for such.

Mechanical contractor means any person, firm, or corporation engaged by remuneration in the installation or altering of any type of heating, air conditioning, ventilation, refrigeration equipment, or other mechanical systems such as incinerators, or other miscellaneous heat producing appliances, who is duly licensed as a mechanical contractor ( A or B ) by the state ( A or B classification limits the type of work performed by the licensee).

Plumbing contractor means any person, firm, or corporation engaged by remuneration in the installation or altering of any piping systems used to convey water, sewer, gas, or waste products ventilated by them, who is duly licensed as a master plumber by the state.

Reciprocity means the acknowledging of other examining agencies or boards to regulate or certify the ability of an individual for the performance of work defined specifically elsewhere in this section, at the approval of the building official.

Registration means the registering of any person, firm, or corporation with the city to perform such work as covered and required by the codes. In extending the rights and privilege of such registration, the city makes no statement of the technical competency of those so registered, and no manner of license is proffered.

Remodeling means any person, firm, or corporation engaged by remuneration in the alteration or enlargement of any existing building or structure, to include roofing and siding work, either residential or nonresidential, who is or employs properly licensed personnel for the performance of the necessary work.

Sign contractor means any person, firm, or corporation engaged by remuneration in the erection, construction, or altering of advertising faces, whether painted, wood, masonry, metal, glass, or plastic, with or without illumination, permanent or temporary in use, whether attached to a building, pole or any other structure, who is or employs individuals properly licensed and registered for all electrical work in conjunction to or accessory to any and all work performed.

Sprinkler system contractor means any person, firm, or corporation engaged by remuneration in the installation, repair or alteration of underground piping systems of either potable or nonpotable water, aboveground irrigation watering or other such similar installations deriving their water from the city, either directly or indirectly, who is duly licensed by a recognized examining agency or board.

Swimming pool contractor means any person, firm, or corporation engaged by remuneration in the installation, repair, or alteration of inground or aboveground devices or appurtenances getting recreational pleasure to private or public parties obtaining their water from the city, either directly or indirectly.

Utility contractor means any person, firm, or corporation engaged by remuneration in the installation of transmission or collection systems of potable water, nonpotable water, sewage, stormwater runoff drainage, gas, electrical, video, audio, and other such systems, who is or employs individuals properly licensed and registered for the performance of all necessary work, and is not directly employed by payroll or by subcontract of any utility company, public or private, in the normal conduct of business.

## Sec. 3.10.002 Registration required

Any contractor who will be responsible to the building official for the prosecution and supervision of work regulated by the codes within the city must register with the City under this article.

## Sec. 3.10.003 Registration application

An applicant for registration under this article shall provide to the building official the following information:
(1) The complete name, complete mailing address, telephone number, and email of the person, firm, or corporation.
(2) The complete name, private mailing address, email, social security number and state driver's license number of a principal of the firm or corporation, who is a person authorized to bind the firm or corporation in legal agreements.
(3) The name and license identification of the contractor, where required by definition in this article, through whom the person, firm, or corporation is to be represented in all activities before the building official (except registration for a person, firm, or corporation specifically exempted from license requirements).
(4) A copy of commercial legal liability insurance in an amount not less than $\$ 1,000,000.00$ combined for property damage and bodily injury sustained by one or more persons, and $\$ 1,000,000.00$ aggregate, and $\$ 1,000,000.00$ aggregate for products and completed operations. In the event claims occur which hold the required coverage to a level of $\$ 750,000.00$ or less, the registered contractor shall reinstate the coverage to the original $\$ 1,000,000.00$ amount or greater.
a. A registered contractor shall furnish to the city a certificate of insurance as evidence of the insurance requirement of subsection (4) of this section.

1. Insurance must be valid for the next 60 days.
2. Insurance certificate must show registrant's name and company name and address.
3. Certificate holder must be listed as:

City of Dalworthington Gardens

# Building Inspection Department 

## 2600 Roosevelt Drive

Dalworthington Gardens, Texas 76016
ATTN: Building Official
b. The certificate of insurance shall certify that the policy has been endorsed with the provision that in the event such coverage is cancelled or reduced, the insurance carrier shall notify the department at least 45 days prior to such cancellation or reduction of coverage. Each nonrenewal notice shall also be submitted by the insurance carrier to the department at least 45 days prior to the renewal date. In the event that the coverage is cancelled for nonpayment of premium, the insurance carrier shall notify the department at least ten days prior to such cancellation.
c. The certificate of insurance will be accepted only when signed by those officers or agents of an insurance company empowered to sign such certificates by the insurance company.
d. Each registrant shall be suspended during any period in which the required insurance is not in effect by evidence of a current certificate of insurance on file with the city building inspection department or when the required level of insurance has not been reinstated as required in subsection (4) of this section.
e. The building official may waive the insurance requirement for a registrant who is not contracting with the general public. All requests to waive the insurance requirements shall be submitted in writing to the building official and shall contain a detailed explanation of the conditions on which the registrant is requesting a waiver.
(5) Other pertinent information deemed necessary to the building official.

## Sec. 3.10.004 Updating information

Every registrant shall make contact with the office of the building inspection department to ensure the accurate revision of the registrant information, including change of a licensed individual or address or telephone number or email, within ten working days from when the previous information supplied in the application is made invalid for any reason.

## Sec. 3.10.005 Fees

There is no fee required for a registration under this article.

## Sec. 3.10.006 Penalty

It shall be unlawful for any person, firm or corporation to conduct activity or obtain a permit in the City without being registered under this article. A violation of this section shall be punishable by a fine not to exceed five hundred dollars (\$500) for each offense."

## SECTION V.

This ordinance shall be cumulative of all provisions of ordinances and of the Code of Ordinances, Dalworthington Gardens, Texas as amended, except where the provisions are in direct conflict with the provisions of other ordinances, in which event the conflicting provisions of the other ordinances are hereby repealed.

Page 6

## SECTION VI.

It is hereby declared to be the intention of the City Council that the phrases, clauses, sentences, paragraphs and sections of this ordinance are severable, and if any phrase, clause, sentence, paragraph or section of this ordinance shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this ordinance, since the same would have been enacted by the City Council without the incorporation in this ordinance of any such unconstitutional phrase, clause, sentence, paragraph or section.

## SECTION VII.

Any person, firm or corporation who violates, disobeys, omits, neglects, refuses or fails to comply with, or who resists the enforcement of any provision of this ordinance shall be fined not more than Five Hundred Dollars ( $\$ 500.00$ ) for each offense. Each day that a violation is permitted to exist shall constitute a separate offense.

## SECTION VIII.

All rights and remedies of the City of Dalworthington Gardens are expressly saved as to any and all violations of the provisions of the Code of Ordinances, City of Dalworthington Gardens, Texas, or any other ordinances affecting contractor registration or fees which have accrued at the time of the effective date of this ordinance; and as such accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such ordinances, same shall not be affected by this ordinance but may be prosecuted until final disposition by the court.

## SECTION IX.

The City Secretary of the City of Dalworthington Gardens is hereby directed to publish at least twice in the official newspaper of the City of Dalworthington Gardens, the caption and the penalty clause of this ordinance in accordance with Section 52.011 of the Local Government Code.

## SECTION X.

This ordinance shall be in full force and effect from and after its passage and publication as required by law,
PASSED AND APPROVED on this $20^{\text {th }}$ day of August, 2020.

## Prior Council Action:

Background Information: The city's engineering firm, Topographic Land Surveyors, Inc., compiled a list of repair, reconstruction, and resurfacing needs for all city streets. The list being presented shows all city streets, their needs, and a suggested priority list. In conjunction with assessing all street, Topographic is also working on assessing Ambassador Row area needs for the next Community Development Block Grant (CDBG) project which would begin sometime later summer 2021.

Prior to estimating costs for both Ambassador Row and other street needs, staff is looking for guidance from Council on evaluation of water/sewer lines based on age and material (clay/asbestos-concrete). This guidance will help staff and the city engineer better plan out repair and reconstruction and could change prioritization of projects.

Council approved Resolution 2020-20 for street repair needs. However, that list is somewhat outdated. Staff recommends moving forward with the new list.

Currently, there is $\$ 76,513.46$ in the street fund for use but that doesn't account for outstanding costs for Twin Lakes, Twin Springs. There will be approximately $\$ 155,000$ in the water fund at the end of this fiscal year.

Recommended Action/Motion: Provide direction to staff for CDBG project planning and direction on how to assess costs for streets, to include guidance on replacement of utility lines based on age and material.

## Prior Council Action:

Background Information: Local Government Code Chapter 102 requires the City to provide a public hearing on the proposed budget.

At tonight's meeting, Council will hold the public hearing and then take action immediately following the hearing as required by Section 102.007, Local Government Code which states:

Sec. 102.007. ADOPTION OF BUDGET. (a) At the conclusion of the public hearing, the governing body of the municipality shall take action on the proposed budget.

Cities who are not ready to adopt the budget typically take action to postpone said adoption to a specific date and time. In accordance with the schedule provided to Council, the budget adoption will be on September 17, 2020 at 7:00 p.m.

Recommended Action/Motion: Motion to postpone adoption of the FY 2020-2021 City Budget to September 17, 2020 at 7:00 p.m. in the City Hall Council Chambers, 2600 Roosevelt Drive, DWG, Texas 76016.

## Prior Council Action:

Background Information: A second mower was originally projected to be spent in next year's budget. However, it was moved to the current budget and was presented to both the Parks and Recreation Facilities Development Corporation (PRFDC) and City Council. This is the action item to approve the mower purchase. The quote being presented is BuyBoard government pricing for a John Deere Z970R ZTrak with twills and a mulcher attachment. It is possible the mower price will change slightly as this government contract expires on August 18 , but $\$ 16,000$ is what is in the budget and should get staff the needed equipment.

Recommended Action/Motion: Motion to approve the purchase of a new mower and accessories in the amount of $\$ 16,000$.

## CHAPTER 6 HEALTH AND SANITATION

ARTICLE 6.06 TOBACCO PRODUCTS, SMOKING, AND E-CIGARETTES

## Sec. 6.06.001 Definitions.

The following words, terms and phrases when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Electronic cigarette or e-cigarette means any product containing or delivering nicotine or any other substance intended for human consumption that can be used by a person to simulate smoking through inhalation of vapor or aerosol from the product. The term includes any such device, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, e-hookah, or vape pen, or under any other product name or descriptor. This definition includes both electronic vaping devices and vaporizing cigarettes.

Park or park facility means all parks, playgrounds, recreational areas owned, leased, operated or under the control of the city and includes all athletic fields and other similar facilities owned, leased or operated by the city.

Public building means an enclosed, indoor area to which the public has access and includes, but is not limited to the following:
(1) The common areas of a retail store, office, grocery store, or other commercial establishment;
(2) A restaurant or cafeteria;
(3) A public or private or secondary school;
(4) A public or private institution of higher education;
(5) A hospital or nursing home;
(6) An elevator;
(7) A city and school bus;
(8) A city building, owned or leased by the city and used for city purposes;
(9) An enclosed theater, auditorium, movie house, or arena;
(10) A courtroom or a jury waiting or deliberation room; or
(11) A Bar or bar area.

Smoke or smoking includes:
(1) Carrying or holding a lighted pipe, cigar or cigarette of any kind or any other lighted smoking equipment or device;
(2) Lighting a pipe, cigar, or cigarette of any kind or any other smoking equipment or device;
(3) Emitting or exhaling the smoke of a pipe, cigar, or cigarette of any kind or any other smoking equipment or device;
(4) Inhaling, exhaling, or burning a lighted cigar, cigarette, pipe or other lighted tobacco product in any manner or form; and
(5) Use of an electronic cigarette.

Smoking establishment means a business establishment that is dedicated to the use or consumption of smoking products, including but not limited to establishments known variously as cigar lounges, hookah lounges, cigar cafes, hookah cafes, cigar bars, hookah bars, tobacco bars, cigar clubs, hookah clubs, tobacco clubs, etc. and includes any establishment that allows the on-site purchase of smoking products or the on-site purchase or rental or furnishing of accessories intended or adapted or provided for the use or consumption of smoking products.

## Sec. 6.06.002 Entrance or exit to a public building; signs required.

(a) It shall be unlawful for any person to perform the following acts within 25 feet of any entrance or exit to any public building, or within a public building:
(1) Smoke.
(2) Carry a lighted cigarette, cigar, tobacco-containing pipe; or carry an electronic cigarette in a manner as if to use such an item.
(3) Light a cigarette, cigar or tobacco-containing pipe, or activate or use electronic cigarette. (b) Any owner, manager, operator, or employer of any establishment controlled by this article shall, upon either observing or being advised of a violation of subsection (a), have the obligation to inform the violator of the appropriate requirements of this article and then request immediate compliance.

## Sec. 6.06.003 Tobacco and electronic cigarette trails, parks and park facilities.

It shall be unlawful for any person to smoke, use electronic cigarettes, or use any tobacco or tobacco related products at any parks or park facility owned or leased by the city that has been posted:
"This park/park facility is tobacco and E-cigarette free."

The city manager, or designee, shall cause to be posted a conspicuous sign visible from the main entrance of a building owned or leased by the city with language indicating:
"NO SMOKING, City of Dalworthington Gardens Ordinance."
The city council shall by resolution designate any building, trail, park or park facility owned or leased by the city as tobacco and E-cigarette free and upon such designation, the city manager or designee is authorized to post signs giving notice that such action is prohibited in such park or park facility.

## Sec. 6.06.004 Exceptions

Smoking shall be allowed in the following Public Buildings:
(1) Smoking Establishments;
(2) Those which are occupied by a restaurant or cafeteria which was in operation on that location, with the same use, on [January 1, 2021];
(3) Those which hold a permit issued to allow smoking in such a public building until [2030].

## Sec. 6.06.005 Penalty.

Any person who violates this article shall be guilty of a health and sanitation misdemeanor violation and subject to a fine of not more than $\$ 500.00$. Each day that a violation is permitted to exist shall constitute a separate offense.

## Prior Council Action:

Background Information: This item was requested by Council Member Stein. The following is her report on the subject.

The formation of my request to discuss possible ordinance changes regarding coin-operated game rooms, payday lending, and title loan businesses began when I asked Lola if our ordinances needed updating to reflect the information about new game room regulations from Tarrant County in their most recent newsletter (see attached). That and the language in the AIS of our recent agenda item regarding the possibility of banning smoking in businesses ("Ordinances directly correlate to what businesses a city attracts. DWG has been working on updating ordinances to better control what businesses the city attracts...") made me think of another type of business I was sad to see go in several years ago, a payday and title loan business.

With regards to coin-operated game rooms, we have a special exception that gives the potential to allow them in B-3 and LI if they have 8 or more machines. Based on the new Tarrant County regulations, I am wondering if at a minimum we need to change that to 6 and have some reference to the new permitting requirements? I was on $\mathrm{P} \& \mathrm{Z}$ when we had one apply and ultimately be granted a special exception with conditions. It is no longer there but I do not know the circumstances surrounding their departure.

As a member of the League of Women Voters, I attended forums put on by the League to discuss taking a position on Payday and Title Loan businesses. This was at or around the same time Arlington was developing and passing, November of 2015, their ordinance on these businesses. I was dismayed driving down Bowen Rd. and first noticing a Payday Loan establishment in the shopping center on the NW corner of Bowen and Arkansas years ago because I did not feel it was the type of business we are eager to attract to our city. I have commented every now and then on investigating putting together our own ordinance regulating them since then, however we always seem to have a long list of ordinances that need to be addressed.

At this time, while we are addressing another ordinance touching on the types of businesses we hope to attract to our city it seems appropriate to discuss what we want to do with regards to these two types of businesses. It could be important to our goal of upgrading our existing commercial areas for economic development. I recognize these types of businesses are likely to have a lobby that could mean we have state regulations limiting our ability to regulate them, but I think we should discuss our options.

Recommended Action/Motion: Motion to direct staff and/or the city attorney to create [or not create] an ordinance for coin-operated game rooms, payday lending, and title loan businesses.

# New Game Room Regulations In Effect For Tarrant County 

Tarrant County Commissioners receiving briefing for proposed game room regulations on November 12, 2019.

Under Chapter 234, Texas Local Government Code, Tarrant County has the authority to regulate game room operations in Tarrant County in order to promote the public health, safety and welfare of the county.
After being briefed by Tarrant County staff along with receiving public comments and testimony, Tarrant County developed reasonable and uniform Game Room Regulations. These regulations prohibit business activities which might enable or serve as a front for criminal activities including, but not limited to, organized crime, gambling and tax evasion.
Beginning April 1, 2020, all establishments with six or more "amusement redemption machines" or "electronic, electromechanical or mechanical contrivances that, for consideration, afford a player the opportunity to obtain a prize or thing of value, the award of which is determined solely or partially by chance, regardless of whether the contrivance is designed, made or adopted solely for bona fide amusement purposes" must be permitted as.
The Tarrant County Sheriff's Office has been designated by the Commissioners Court as the Game Room Permit Administrator. Cities in the county have the option to partner with Tarrant County to issue permits and enforce the County regulations within their city limits.

Please contact the Tarrant County Sheriff's Office Game Room Permit Office at:

## Agenda Item: 8k.

Agenda Subject: Discussion and possible action regarding changes to the City of Dalworthington Gardens Code of Ordinances, Chapter 10, Subdivision Regulations, specifically as it pertains to platting regulations.

| Meeting Date: <br> August 20, 2020 | Financial Considerations: Attorney fees to draft ordinances <br> Budgeted: <br> 区Yes $\square$ No N/A | Strategic Vision Pillar: Financial Stability Appearance of City Operations Excellence Infrastructure Improvements/Upgrade Building Positive Image Economic Development Educational Excellence |
| :---: | :---: | :---: |

## Prior Council Action:

Background Information: The platting ordinance has a few outstanding issues but should be on the September agenda for council consideration. In reviewing Chapter 212 of the Local Government Code, Section 212.0065 allows delegation for approval of certain plats.

Sec. 212.0065. DELEGATION OF APPROVAL RESPONSIBILITY. (a) The governing body of a municipality may delegate to one or more officers or employees of the municipality or of a utility owned or operated by the municipality the ability to approve:
(1) amending plats described by Section 212.016;
(2) minor plats or replats involving four or fewer lots fronting on an existing street and not requiring the creation of any new street or the extension of municipal facilities; or
(3) a replat under Section $\underline{212.0145}$ that does not require the creation of any new street or the extension of municipal facilities.
(b) The designated person or persons may, for any reason, elect to present the plat for approval to the municipal authority responsible for approving plats.
(c) The person or persons shall not disapprove the plat and shall be required to refer any plat which the person or persons refuse to approve to the municipal authority responsible for approving plats within the time period specified in Section $\underline{212.009}$.

Staff is looking for direction on whether council wants to allow this option in the new ordinance. Keep in mind, the designated person could not deny a plat but only allow approval if the above conditions are allowed.

Recommended Action/Motion: Provide direction to staff on whether to include the provisions of Section 212.0065 in the new platting ordinance.

Attachments: Sections from Chapter 212

Sec. 212.016. AMENDING PLAT. (a) The municipal authority responsible for approving plats may approve and issue an amending plat, which may be recorded and is controlling over the preceding plat without vacation of that plat, if the amending plat is signed by the applicants only and is solely for one or more of the following purposes:
(1) to correct an error in a course or distance shown on the preceding plat;
(2) to add a course or distance that was omitted on the preceding plat;
(3) to correct an error in a real property description shown on the preceding plat;
(4) to indicate monuments set after the death, disability, or retirement from practice of the engineer or surveyor responsible for setting monuments;
(5) to show the location or character of a monument that has been changed in location or character or that is shown incorrectly as to location or character on the preceding plat;
(6) to correct any other type of scrivener or clerical error or omission previously approved by the municipal authority responsible for approving plats, including lot numbers, acreage, street names, and identification of adjacent recorded plats;
(7) to correct an error in courses and distances of lot lines between two adjacent lots if:
(A) both lot owners join in the application for amending the plat;
(B) neither lot is abolished;
(C) the amendment does not attempt to remove recorded covenants or restrictions; and
(D) the amendment does not have a material adverse effect on the property rights of the other owners in the plat;
(8) to relocate a lot line to eliminate an inadvertent encroachment of a building or other improvement on a lot line or easement;
(9) to relocate one or more lot lines between one or more adjacent lots if:
(A) the owners of all those lots join in the application for amending the plat;
(B) the amendment does not attempt to remove recorded covenants or restrictions; and
(C) the amendment does not increase the number of lots;
(10) to make necessary changes to the preceding plat to create six or fewer lots in the subdivision or a part of the subdivision covered by the preceding plat if:
(A) the changes do not affect applicable zoning and other regulations of the municipality;
(B) the changes do not attempt to amend or remove any covenants or restrictions; and
(C) the area covered by the changes is located in an area that the municipal planning commission or other appropriate governing body of the municipality has approved, after a public hearing, as a residential improvement area; or
(11) to replat one or more lots fronting on an existing street if:
(A) the owners of all those lots join in the application for amending the plat;
(B) the amendment does not attempt to remove recorded covenants or restrictions;
(C) the amendment does not increase the number of lots; and
(D) the amendment does not create or require the creation of a new street or make necessary the extension of municipal facilities.
(b) Notice, a hearing, and the approval of other lot owners are not required for the approval and issuance of an amending plat.

Sec. 212.0145. REPLATTING WITHOUT VACATING PRECEDING PLAT: CERTAIN
SUBDIVISIONS. (a) A replat of a part of a subdivision may be recorded and is controlling over the preceding plat without vacation of that plat if the replat:
(1) is signed and acknowledged by only the owners of the property being replatted; and
(2) involves only property:
(A) of less than one acre that fronts an existing street; and
(B) that is owned and used by a nonprofit corporation established to assist children in at-risk situations through volunteer and individualized attention.
(b) An existing covenant or restriction for property that is replatted under this section does not have to be amended or removed if:
(1) the covenant or restriction was recorded more than 50 years before the date of the replat; and
(2) the replatted property has been continuously used by the nonprofit corporation for at least 10 years before the date of the replat.
(c) Sections $\underline{212.014}$ and $\underline{212.015}$ do not apply to a replat under this section.

## Prior Council Action:

Background Information: Mayor Bianco requested this item. The purpose of this item is to allow the purchase of flowers and similar items for bereavement purposes. Without having a policy in place to specify the positions (city staff, current council, past council, etc.) and specific purposes allowed, the City cannot expend such funds. If the Council would like such a policy, direction is needed so the city attorney may assist in drafting said policy.

Recommended Action/Motion: Provide direction to staff and/or the city attorney to draft a policy for bereavement expenses.

## Agenda Item: 8m.

Agenda Subject: Discussion and possible action regarding Project \#2020-01, the new City Hall building, to include, but not limited to any change order approval.

## Prior Council Action:

Background Information: This is a recurring item that will appear on all future agendas until this project is complete.

The following are new items added to the cost list for this project.

1. $\mathbf{\$ 5 , 2 0 0}$ for Tower Removal: The tower that was behind the existing City Hall building needed to be removed. The cost for the removal was so high because a crane operator was required.
2. $\mathbf{\$ 1 0 , 0 0 0}$ for Platting City Hall Property: It was discovered the property had not been platted. In accordance with city ordinances, the city will be required to plat all of block 8 which includes our property, 2512 Roosevelt Drive, and 2508 Roosevelt Drive. The two property owners have given verbal confirmation to allow platting of their property, although both stated that is contingent on their lot lines changing from what they believe them to be. The city has hired Teague Nall \& Perkins who originally surveyed the property in 2006. They were hired to prepare the plat so that the city engineer could provide an unbiased review of the plat.

The schedule of values is being included in your packet. You will notice there is now a $\$ 70,000$ owner controlled contingency from the plan changes and removing the sally port. There are also sheets showing a few other changes. The Texas Accessibility Standards (TAS) required a few of the changes. The others are for the sally port removal, mezzanine access, additional camera locations, and additional outlets in offices. There were a few blind spots for cameras which is the reason for the addition. The additional outlets are to provide enough flexibility and availability for power sources in offices.

Recommended Action/Motion: Motion to approve the expenses for removal of the radio tower in the amount of $\$ 5,200$ and platting the city hall property in the amount of $\$ 10,000$.
