

## Dalworthington Gardens

The **City of Dalworthington Gardens** water system PWS ID **TX2200047** has violated the monitoring and reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems are required to properly disinfect water before distribution, maintain acceptable disinfection residuals within the distribution system, monitor the disinfectant residual at various locations throughout the distribution system, and report the results of that monitoring to the TCEQ on a quarterly basis.

Results of regular monitoring are an indicator of whether or not your drinking water is safe from microbial contamination.

This/These violation(s) occurred in the monitoring period(s) DLQOR 4<sup>th</sup> quarter 2020.

We are taking the following actions to address this issue:

Submitted results for the next DLQOR quarter 1 of 2021. Since then, we have submitted all DLQOR quarterly forms and have not received any violations.

Please share this information with all people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses).

If you have questions regarding this matter, you may contact **Gary Parker, Public Works Director\_** at (817)275-1234 ext116.
